USSR - SOVIET GUARDS ARMY

CONFIDENT - TRAINED

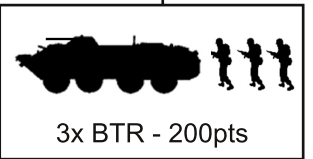

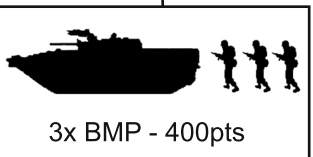

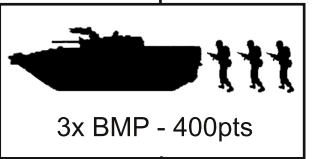

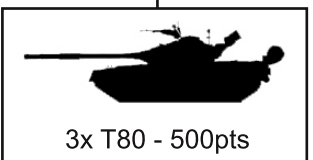

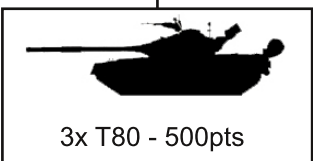

HQ

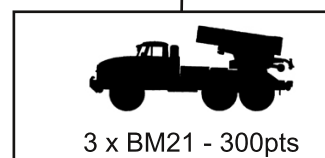

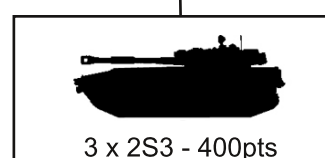

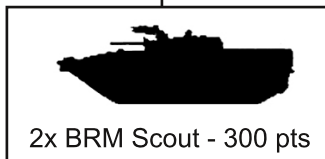

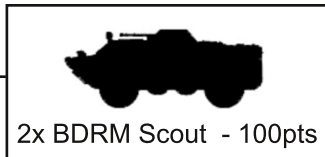

The Soviet Guards had a strict organisation, Tank Regiments and Motor Rifle Regiments were the building blocks of Soviet Guards Divisions. You must take a HQ and at least 3 Company Platoons in any force, and may only take one each of the Battalion and Regiment Support options. A force with two Tank Platoons or more should have a Tank Company HQ, any other combination should use the Motor Rifle Company HQ.

WARPAC

HUNGARY - Magyar Honvédség

Hungarian Army

RELUCTANT - CONSCRIPT

HQ

2x T55 - 100pts

1x OT62 + GAZ - 100pts

The Hungarian Army is poorly equipped and uses a combination of obsolete tanks and equipment, it does however field this in large numbers. The Hungarian army would be unlikely to take part in WARPAC operations and would be used for rear security and supporting main thrusts. A minimum of 3 Company platoons must be selected before any Battalion, Regiment or Divisional support options are taken.
